*The ACIS
Difference:*

City sights are never far away. ACIS Groups stay in safe and secure hotels right near central attractions, so you spend less time commuting and more time experiencing.

Trips Custom Built for YOU

We cater to your specific classroom needs and have an array of options tailored to subject needs. We'll get you an itinerary that meets your educational travel goals!

With just 20 participants, you guarantee a private tour which increases flexibility and your ability to customize your experience. That could mean adding a city to the itinerary, removing an activity that doesn't fit your objectives, or working in an extra Cultural Connection along the way.

*The ACIS
Difference:*

More flexibility and guaranteed private tours with just 20 participants to Europe or 15 to Asia, Central or South America.

All ACIS Tours Include

Part of what separates ACIS from an average tour company is our commitment to immersive educational experiences. Your itinerary includes activities designed to bring local culture to life and at the same time give students a global perspective.

Hotels at the Heart of the Action

ACIS hotels are located in city-centers close to destination attractions so you don't lose time commuting back and forth to the outskirts of town. You'll also have more time to explore the city at night.

Authentic Cuisine

You can expect delicious meals that highlight local ingredients with generous portions. And we always encourage students to try cultural favorites, like paella.

Top Tier Tour Managers

ACIS Tour Managers are the best in the business. With you from the time you land to the time you take off again, an ACIS Tour Manager serves as a guide, itinerary manager, and problem solver all in one.

Our founding belief is travel changes lives.

And our company culture is built on care. Add this together and you've got a group of people dedicated to ensuring you love travel as much as we do. This means providing safe, life-changing experiences you can count on, and if something does go wrong, fixing it fast. Good is merely a four-letter word at ACIS. Exceptional is the aim.

We back up our quality with a guarantee. If for any reason you don't rate your tour good or excellent, we'll provide you 500 World Traveler Reward points and give you a \$1,000 travel scholarship. No questions asked, no strings attached.

WE GET
IT RIGHT

Planning Partnership

Planning a trip with an ACIS Program Consultant is like getting advice from a very well-traveled friend. They know the best time to visit Montmartre, the most picturesque fishing village in Ireland, and the number of nights you'll need to get a real feel of Tokyo. They help you select, or design, the right tour for your group and are on hand to manage every detail from your first phone call all the way to your return. They may even drop in on your group while you're overseas, just to be sure your tour is meeting (or exceeding!) your expectations.

“

[ACIS] made my job so much easier and your mastery of logistics enabled our leadership team to stay focused on the engagement of our students.”

- Group Leader Scott H.

THE SECURITY & FLEXIBILITY YOU NEED

There is nothing more important than the welfare of our travelers.

Just as we work tirelessly to provide once-in-a-lifetime experiences to group leaders and students, we are equally committed to ensuring that all of our groups return home safely. Our safety and support infrastructure has been a cornerstone of our business for more than 40 years.

- **Safety Monitoring**

ACIS constantly monitors global conditions and trains our staff on emergency response protocol, which immediately activates should an incident arise that could potentially affect our travelers

- **Peace of Mind Plan**

At any point up to 45 days prior to departure, ACIS Group Leaders may move their tour if they are uncomfortable traveling to their destination at that time.

- **Cancellation Protection**

By popular demand, ACIS now offers two upgraded protection plans that allow participants to cancel for any reason and receive a full refund either in cash or in a combination of cash and travel voucher.

Policies To Meet Current Needs

ACIS has always prided ourselves on evolving and innovating to meet teachers' and students' everchanging needs. These past few years, needs changed more than ever. Flexibility, while always important, is now essential—and we have adjusted and improved our policies to help.

When traveling as a small group became more important, we made it easier to do just that. Groups may now enjoy a private tour with 20 participants on a tour to Europe or just 15 participants on a tour to Latin America or Asia. When participants were feeling uneasy about what the future may bring, we created no risk registration to ease concerns. Program Consultants and Tour Managers now attend more recruitment and pre-departure meetings to support your travel goals. And, if you have more ideas, let us know!

The Rewards of ACIS Travel

Beyond being life-changing for your students, travel should be rewarding for you as a Group Leader.

Earn Points. Earn Rewards.

For every trip you take with ACIS, you'll receive points for every registered participant. You can then redeem those points for tour upgrades, cash bonuses, scholarships, and ACIS Global Conferences. First time ACIS Group Leaders are also invited on Training Weekends when they register just 5 participants.
